

Sample HR Policy for Agentic AI Testing

1. Purpose

This policy provides a sample HR document for testing Agentic AI systems, including document reading, retrieval, question answering, and policy interpretation.

2. Scope

Applies to all employees, contractors, interns, and temporary staff.

3. Working Hours

Standard working hours are 9:00 AM to 6:00 PM, Monday through Friday. Employees are expected to maintain attendance and follow company guidelines.

4. Leave Policy

Employees are entitled to 18 annual paid leave days, 12 sick leave days, and 10 public holidays per calendar year.

5. Leave Approval

Planned leave must be requested at least 3 working days in advance and requires manager approval.

6. Code of Conduct

Employees must maintain professionalism, confidentiality, and respect in the workplace.

7. Remote Work

Remote work may be permitted subject to manager approval and business requirements.

8. Data Security

Employees must protect company information and comply with cybersecurity policies.

9. Performance Evaluation

Performance reviews are conducted annually and may include goal-based assessments.

10. Policy Questions for AI Testing

Example Questions:

- How many annual leave days are provided?
- How many sick leave days are available?
- How many days in advance should planned leave be requested?
- What are the standard working hours?
- Is manager approval required for leave requests?
